(Verse 1:Madness)

June 6, 6 AM my soul was born  
I hear eternal laughter from the children of the corn  
I hear internal bleeding from his mother's womb  
From the ripping and scratching to escape from it's  
tomb  
It has 2 horns, Flaky skin, seven heads  
Green eyes, The whites around them are completely  
red  
It bite it's mothers nipple of while been breast feed  
I have sex, No boner, Masturbating with the dead  
God condemns me while Satan laughs with  
complements  
He buried my parents ??? amen  
I hear my son, I hear him crying, Demon, Raping,  
Killing, Dismembering  
And always mother fucking lying  
In his womb, Hate, Pentagrams and upside down  
cross's  
Everything's escape while he laughs at my loss's  
He killed his mother, Brother, Sister, Grandpa,  
Grandmother  
I'm the only one that's upstairs and the house is on FIRE

(Hook)

(Verse 2)

Stillborn, I hear my mother morn  
Cause I was pronounced dead when I was born  
5 minutes of agony to the depths of hell  
The doctor's revived me to my lifeless shell  
Brain damaged, I'll never be the same  
All because of my mother's habit of crack cocaine  
A psycho, I have a clenching disorder  
In my crawl space body parts reeking of death ???  
I remember being dead seeing Jesus bleeding red  
I seen ??? Of chopped off heads  
They sacrificed me, Put a seed inside of me  
Then sent me back to earth with a pod of insanity  
When I kill, ??? Raping niggas memories souls and ???  
Lucifer  
I see the future, I feel the pain, As I chop the bodies in  
the kitchen DRAIN.

If you creep running 6 feet deep so you want to be a G  
??? Motherfucker what's up?, Yo suck my nuts  
With a dick in your mouth Better keep your legs shut  
Say the sick insane shit when it comes to the
