Isn't this religious ah  
Ah yes,  
The eternal battle between good and evil,  
Saint and sinner  
But your still not having any fun

If Jesus Christ was here tonight  
Do you believe in the Virgin Mary?  
Sir no sir  
If Jesus Christ was here tonight  
Do you believe in the Virgin Mary?  
Sir no sir

You do love the virgin Mary don't you  
SIR, NEGATIVE SIR  
You do love the virgin Mary don't you  
SIR, NEGATIVE SIR

Welcome to the house of death  
Where good people die  
Where god is a lie, Anti everything  
My mind is fucked  
I heard voices inside  
They tell me to kill  
All who worship god

I am  
In a world  
(Fuck your god)  
Of shit

You do love the virgin Mary don't you  
SIR, NEGATIVE SIR

You don't scare me, Work on it.
