This is the song about "Billy Goat"  
Young man never knew what he wanted  
Check it out, you see Billy wanted every women in the  
world  
But didn't wanna get them returned  
Tried his best to swing in  
But it didn't work  
So he gotta be down be for the right babe

Billy Goat moved over to the east coast  
Well he never knew his name  
But he'd always get what he want  
But Billy even had a girl  
But he called her friend  
Didn't like to claim her name  
He likes to play the game

You gotta be down, down  
Down for the right thing  
You can't mess around, owwww  
Be close to the righteous  
You gotta be down, down  
Down for the right thing  
You can't mess around, owwww  
Be close to the righteous

Billy told Betty that he was leavin' town  
Start gettin' worried from the word around  
Well, Billy got babies over here and over there  
He's starting to fade away, 'cause he's so damn scared

But you gotta be down, down  
Down for the right thing  
You can't mess around, owwww  
Be close to the righteous  
You gotta be down, down  
Down for the right thing  
You can't mess around, owwww  
Be close to the righteous

Billy don't tell me that you're feelin' bad  
The only way you can do that if you're feelin' sad

Well, well, well, I always heard that you were a strong  
man  
And the word around is that that man won't hang his  
head

But you gotta be down, down  
Down for the right thing  
You can't mess around, owww  
Be close to the righteous  
You gotta be down, down  
Down for the right thing  
You can't mess around, owww  
Be close to the righteous  
You gotta be down, down

You gotta be down, down  
Down for the right thing  
You can't mess around, owww  
Be close to the righteous  
You gotta be down, down  
Down for the right thing  
You can't mess around, owww  
Be close to the righteous

You gotta be down, down  
You can't mess around, owww  
You gotta be down, down  
Down for the right thing
