said i've been missing you
ooh why baby
said im missing you yeah
oooh right hmm

said im sitting down by the bay
on a lonely day
tossing rocks across the water
and they fly away
and the sun dont seem to shine
and the trees aint tall
i get summer time blues
in the middle of fall
i said im feeling kind of alone
and i feel broken up cuz we never been apart
yeah yeah ohh

im missing you like crazy baby
all the time
said im missing you like crazy
cuz your on my mind
said im missing you like crazy baby
all the time
said im missing you
missing you like crazy

so im walking down the street
feeling lonely and sad
couples walking hand and hand
looking mightly glade
every time i think of you
the tears appear
got a broken heart baby
cuz i need you here
said im feelin kind of lonely
and i've got a broken heart
and i dont know what to do
cuz we're so far apart
said im feeling kinda lonely
and my heart is torn away
and no one is going to keep us apart

said im missing you like crazy baby
all the time
said im missing you like crazy
cuz your on my mind
said im missing you like crazy
all the time
said im missing you
missing you like crazy

that means im missing you
said im missing you like crazy baby
all the time
said im missing you like crazy
cuz your on my mind
said im missing you like crazy
all the time
said im missing you
missing you like crazy
