I'm thinkin' I love you, baby
'Cause you take from me
The energy that we manage
From are, pain 'an joy

For all this time
I'm thinkin' I would be over
This madness

I'm thinkin' I love you baby
'Cause I made a choice

And ooh, so what you gonna do?
Baby, once I'm into you
You know you can't resist my love, yeah
So what you gonna say?
Baby, once I part the waves

I'm thinkin' you love me baby
'Cause I, I give to you
The feelin' that you cravin'
For so long, so long without

So much thrush
It's diggin' beneath the surface
And it's real deep, so deep

I'm thinkin' you love me baby
'Cause you are, to breathe with me

And ooh, so what you gonna do?
Baby, once I'm into you
You know you can't resist my love, yeah
So what you gonna say?
Baby, once I part the waves

And ooh, so what you gonna do?
Baby, once I'm into you
You know you can't resist my love, yeah
So what you gonna say?
Baby, once I part the waves

Ooh, so what you gonna do?
Baby, once I'm into you
You know you can't resist my love, yeah
So what you gonna say?
Baby, once I part the waves
