Fuck you motherfuckers

I don't give a FUCK

I don't care who you are, or who the fuck you THINK you
are nigga

This is "Validation" bitch

Yeah... let's go!

Brand new... c'mon!!

[Chorus]

I'd like to welcome you to my world, my whole circle

My whole click, my whole life, my big story

The drugs, the women, the evil we go through

The money, the truth, the ghetto I owe you

I'd like to welcome you to my world

My whole circle, my whole click, the whole story

The drugs, the women, the evil we go through

The money, the truth, the ghetto I owe you

[Marc Live]

Aiyyo it's been a long time, so niggaz welcome

I won't say a whack rhyme so don't expect one

Okay check one (two) it's the beginning

of the end of most overdose that don't listen

I won't let you down, I won't go industry

I won't go out, you won't get a piece of me

Cause the verse is the worst, please hear me

Yo I can toast any coast, come get wit me

Run with me, it's the new generation of gritty

All filthy, the shit is all sickly

I represent BX so you can come check me

The hood rep me, the underground respect me

The new movement, millions'll feel me

The kids will swallow, the hood will follow

This is the picture, the movie, the epic

The big production in trilogy, go get it

[Chorus]

[50 Cent]

All this cash y'all niggaz sayin y'all got

I'll kill you if you show me, stay low-ki'd on Adidas and
jewels
From a O.G., I'm a cool nigga
But don't think I won't stunt on you, cut the roof off the
6
Come through your strip and front on you
My G have hoes that hardly know me
Wantin to blow me and niggaz who know me who owe

He be on that funny shit," nah for real
I kill y'all niggaz on some get this money shit, see it's

My hook'll fuck up your dental, it's the shit I done been
through
Heard I almost wrapped a 911 rental into a Lincoln
Continental
on the Grand Central gettin head, from this bad-ass
oriental
Never dissed a nigga accidental
Shit if I did it I meant to it's tooooo hot
Tooooo hot, niggaz runnin around here bustin they
