Verse:

Now if you talking swagga...yes I am it  
follow the leader threw the streets  
And keep your eyes on him  
When it comes to them hoes never lie on him  
And never fix your face wanna try to ride on him  
Cause I can get it cracking, with any rational pack I'm  
moving them back I aint got a problem with dat  
And wheres Crack if the T.O.P can handle the map  
I put in work when I murder a rap  
This is convertible rap, I push your top back  
Murk and turn your brain into whip  
Understand me my aim is the shit  
I'm Flickin licking and flicking the boogie  
I'm letting them shots till them boys come and get me  
So don't ask if I rep and ride  
It's the R&B jeckeline high  
You best be steppin aside, I shoot the Gif with an inf  
with the grip on the side  
Shhhhh can I get a moment of silence

Chorus:2x

I'm a go getta  
money I gotta have  
hustlin all my products to double up what I have  
Everyday I'm hustling hustling for this cash  
Cause I won't loose
