Intro:

Yea...top of new york (hitmakers)

Verse 1:

Now I aint gotta brag about, things I never seen before
Girl I'm just an average guy, trying to make it work you
know

And everytime you walk on by, girl I wanna say hello
But you look like the kind of girl, that might take it
personal

Chorus:

If I say the wrong s**t
You might turn around, try to put me down
If I say the wrong s**t
Beuty is in the way cause I never been the same
If I say the wrong s**t
I swear baby
If I say the wrong s**t
It might be your own

Verse 2:

Now I aint the one to talk about, the things you've seen
or think I do
look around you girl, I ain't even got a _____
Work everyday from 9 to 5 to survive
It's a grown mans grind

Chorus:

If I say the wrong s**t
I go on my ground, thats how I get down
If I say the wrong s**t
Beuty is in the way, but a ni**as not afraid
If I say the wrong s**t
I swear baby
If I say the wrong s**t
It might be your own

Verse 3:

It's beyond my control, if you dont think I'm cool
Cause I dont push a benz, and I dont where no jewels
Baby I'm sorry, I don't even dress for light
but girl I can promise, I ain't never gunna lie

Love come down (girl you making mine)
OoO you make my life (aww you making mine)
Love come down (all the way down)
OoO you make my life (girl you making my love come
down)
