Intro:

Uh huh

Whats good ma whats the deal huh

Me..nah nah he ain't going down like that nuh uh your  
talking to the wrong dude

Know what I'm saying just lay back and chill for a  
minute

Verse 1:

Lady whats your motive

Cause I'm hopin maybe

Well if you ain't busy

How about we fall hopelesly in love I aint playin

I'm focus know what I want girl when I need it I just take  
it

Girl I know I'm famous

Girl don't let that stop you

Please don't make me chase you

Girl cause once I got you

Their ain't no escaping

Theirs only love making

Damn girl why your shaking

All I hurd her say was

Chorus 2x:

Baby what I'm gunna give what you want

And I'm gunna give what you need (do it to me)

Come let me give you all I got

Let me satisfy your needs (do it to me)

Verse 2:

Damn ma your losing your composer

Your saying you need more (more)

For me to do more then just hold ya (tighter)

And your pulling on my body (yeah)

And your feening for my body

And your squeezzing on my body

And your screaming that you want me (I want you)

Be easy mami

Please be for what I'm pleadin to you baby

Don't rush don't get crazy

Calm down girl and may be

We'll make love and the coming  
And the playing we'll be sailing  
Chill and we'll be gone for days and all I heard her say  
was

Chorus 2x:

Baby what I'm gonna give what you want  
And I'm gonna give what you need (do it to me)  
Come let me give you all I got  
Let me satisfy your needs (do it to me)

Bridge:

See all you got to do is lay back and let me do my thing  
yeah lady I know your gonna love what I got

Chorus 2x:

Baby what I'm gonna give what you want  
And I'm gonna give what you need (do it to me)  
Come let me give you all I got  
Let me satisfy your needs (do it to me)
