She's fly and fresh  
She's fly and fresh  
She's def, truly def

Hey  
You got me jumping  
You're beautiful body sure is thumping  
Hey I just want to talk to you  
But you keep digging me like you got something else  
to do

She's fly  
You're fly  
And fresh  
And fresh  
Girl is truly def  
Girl won't you be mine  
She's fly  
So fly  
And fresh  
And fresh  
She's def  
And I want to be your man

Hey  
I didn't get your name  
You got your numbers all in the air  
Tell me what's your claim to fame  
Hey  
So you don't wanna listen  
Well I'm just super cool crushin' to start dissin'

You walk around here with your butt on your back  
Tell me baby, what's up like that  
You have to drive off in a Cadillac  
Tell me baby, (sure you're right) what's up like that

She's fly  
You're fly  
And fresh  
And fresh  
Girl is truly def

Girl won't you be mine  
She's fly  
So fly  
And fresh  
That girl's the best  
And I want to be your man

Girl don't be shy  
'Cause I'm not your average guy  
Listen to me if you can  
'Cause I want to be your man

She's fly  
You're fly  
And fresh  
That girl's the best

She's fly  
You're fly  
And fresh  
That girl's the best
