Yea

Just like that
(laugh)

eeewww eeewww
yea yea yea yes

When I'm with you
I hear a song
that makes me laugh
and smile
and sing to you

When I'm with you
I feel so free
I feel that love
is going
to take control
of me

When I'm with you

It's for real (It's for real)
What I feel (what I feel)
When I'm with you ..(you).. uh huh

When I'm with you
I wonder why
people do stop
and stare
and smile at us

When I'm with you
The sun shines my way
Maybe our love
reflects its rays of light
on everyone in the world

When I'm with you

It's for real (it's for real)

What I feel (what I feel)
When Iâ'm with you ...you hey hey hey

aawww

A Special touch
of warm memories
A sweet and tender kiss
your smile I want

but It warmed my heart
so cold ?
that it chilled
chilled when I looked ?
looked in your eyes

I wonder why
people
do stop
and stare
and smile at us
when Iâ'm with you
the sun shines my way
maybe our love reflects its rays of light
on everyone in the world
when Iâ'm with you
itâ's for real (itâ's for real)
what I feel (what I feel)
when Iâ'm with you you
aayyyayyy...eeayy,

oh girl
I love you baby
yea yea yea yes I do
yea yea yes I do
I give the world to you baby
ooooh, ohhh yea
when I'm with you
ohhh baby
itâ's for real (itâ's for real)
what I feel (what I feel)
when Iâ'm with you (you)
yea hea yea hea

everything, everything is alright
when Iâ'm with you
its for real
what I feel
Itâ's ok
everyday
Honey its so nice (so nice)

so right now (so right)
When I'm with you (you)

Nobody but you
Honey I love you

Yeah .. hoo
