[MC Magic]

Magic

Uh

NB Ridaz (Only if I'd know)

With the homie Marcos

Yeah (I know)

Come on (How much you love me and I loved you)

Chorus: Marcos Hernandez

If I only did then

What I'd now know, we would

Have kids

A home of our own

What I did

What I didn't sure couldn't

Get you

To stay

If I only did then

What I'd now know, I'd be

With you

Until we grow old, sayin'

Love you

Never let you go, but

Only, if, I'd, know

[Main Verse: Marcos Hernandez (MC Magic in background)]

It was late that night

It, wasn't right to

Do what I did to

For some fight, I

Need to say okay

I'm sorry for being mad at you, same way I (Sorry, baby)

Crossed the line with you, and (Oooh wee)

Pushed your buttons when I wasn't supposed to

So what can I do? (What can I do, baby?)

I don't wanna lose you (Come on)

Hook: Marcos Hernandez

Your pain

Your hurt, it's  
My rage  
My burn, it's  
Insane  
I've learn from  
Mistakes  
I made from love  
So long  
Since I have  
Seen you  
Need to be  
With you  
So I will  
Do what you want me to

Repeat Chorus

[Rap Verse: MC Magic (Marcos Hernandez in  
background)]  
I wish I would've known how you felt about things  
(Yeah, yeah)  
I must have just forgotten what you really mean to me  
(Mean to me)  
It's been so quiet  
And lonely in this place  
I need to hear that you miss me  
And that you're coming home today

Bridge: Marcos Hernandez  
I miss, your lips, your touch, like  
The flowers miss the sun  
It's cloudy on me  
Oh, please  
Take this cute's away from me

Repeat Hook & Chorus Twice
