Freddie: This is called "We Will Rock You".

Buddy you're a boy make a big noise
Playing in the street gonna be a big man some day
Mud on your face
Big disgrace
Kicking your can all over the place

Audience: we will, we will, rock you
Yeah, give it to me
Audience: we will, we will, rock you

Buddy you're a young man, hard man
Shouting in the street gonna take on the world some
day
Blood on your face
Big disgrace
Waving your banner all over the place

Audience: we will, we will, rock you
Audience: we will, we will, rock you
Yeah

Buddy you're an old man, poor man
Pleading with your eyes gonna get you some peace
some day
Mud on your face
Big disgrace
Somebody better put you back into your place

Audience: we will, we will, rock you
Yeah, give it to me
Audience: we will, we will, rock you
Yeah
We will, we will, rock you, yeah, yeah
We will, we will, rock you

Freddie: This last song from album called "News Of
The World",
and it's called "We Are The Champions".
