Hold me close and love me
Hold me close and love me
Hold me close and love me
God's got a hold on me

Even in the darkness
Even in the darkness
Especially in darkness
God is gonna walk with me

And pull me through till morning
Pull me through till morning
Each and ev'ry morning
God is gonna pull me through

And fill me up with daylight
Fill me
up with
daylight
Soft and
golden daylight
God is gonna
fill me up

And count on me
to love you
Count on me to love you
Count the ways I love you
God is gonna count on me

To wrap my arms around you
Wrap my arms around you
Now that I have found you
Arms are gonna wrap 'round you

So hold me close and love me
Hold me close and love me
If ever love were holy
God's got a hold on me and you
God's got a hold on me
