Always thought I had a little sexy way  
Of picking women up, fellas  
But she was kinda different, guess you'd say risky  
And that's what caught my attention

These sights on prying eyes, strong mind  
She came onto me  
How was I to know that she was only fifteen?  
Cute smile, style and grace, sure looked right to me  
Now I fell a victim of a 261.5

Hanging out in B-Town, thought I'd chill out  
And find myself a legal judger  
I'm in a position, must get worked out  
Now I fell a victim of a 261.5

She's right man, my 261.5  
You got to meet her

I was still not [Incomprehensible]  
She told me age was only a number  
You should have seen how this lady got her kicks  
You never would have thought she was 21 minus 6

Bright eyes, strong mind, she came onto me  
How was I to know that she was only fifteen?  
Cute smile, style and grace, sure looked right to me  
Now I fell a victim of 261.5

Hanging out in Westwood, thought we'd be good  
Find myself a legal judger  
Now I'm in a position, must get worked out  
I gotta find myself a lawyer now

Hanging out in Judge Town, [Incomprehensible]  
Find myself a legal [Incomprehensible]  
I'm in a position, must get worked out  
Now I fell a victim of a 261.5

People, let me tell you about my best friend  
She's the one that tells turns me on, my 261.5  
People, let me tell you about my best friend

You gotta meet, you gotta meet my 261.5  
People, let me tell you about my best friend
