Tomorrow will come and girl I can't wait it's our
anniversary
Anniversary
The first thing I'll do is run straight to you it our
anniversary
Anniversary

It's our anniversary It's our anniversary, anniversary
It's our anniversary It's our anniversary, made for you
and me

And I've only made plans to hold your little hand it's our
Anniversary anniversary

The pleasure's all mine 'cause we have seen good
times It's our
Anniversary victoria won't be no secret at the end of
the day
It's our anniversary
Anniversary
A small cup of tea to you and me it's our anniversary

All I really want to say my darling today is a special day
we call our
Own so take me in your arms and hold me and tell me
you love me
And I'll be there for you

Do you know what today is
Do you know what today is
It's our anniversary {it's our, it's our special day}
Anniversary
Do you know what today is
It's our anniversary made for you and me

Today is a special day not just any day cause you can
have everything
You want your way Tell your supervisor your leaving
early today and
I'm going to pay for the rest of your day

Do you know what today is it's our

anniversary, anniversary
Do you know what today is it's our
anniversary, anniversary

Today I have lots of fun stuff for you girl

Do you know what today is it's our anniversary
Do you know what today is it's our anniversary, made
for you and me

I know girl
I know
It's our anniversary

And I love you in a special way
I remember the first night
I remember the first day

Do you know what today is it's our anniversary
