

Tony Toni Tone **"Feels Good"**

Visit "[Feels Good](#)" on MotoLyrics.com

Aaahh, aaahh, aaahh
It feels good yeah / It feels good
Oh it feels good / It feels good / sure feels good to me

If the rhythm feels good to you baby
Let me hear you sing
If the rhythm feels good to you baby
Let us take you away

Moments that we share / special times alone
Just don't ever change / cause I'm so into you
And you know it feels good
To know that you're there by my side / It feels good
To know that you're there for me / It feels good
To know that you'll always be around / It feels good
To know that you'll love me for me
You're rhythm sure feels good to me

If the rhythm feels good to you baby
Let me hear you sing
If the rhythm feels good to you baby
Let us take you away

Last night was so fun / Loving one on one, aaah
I was holding you so tight that I might make you my
wife
'Cause you know
It feels good / To know that you really care
It feels good / To know that I can relax when I'm with
you
It feels good / To know that I can be by you're side
It feels good / Heaven your wild / Go rhythm
It sure feels good to me / You know that I love you,
yeah
You know that I want you / It feels good
