Da-da-da-day, da-da-da-da-day-ay, Da-da-da-day, da-
da-da-da-day-ay
Da-da-da-day, da-da-da-da-day-ay

If the shoe fits I want you to wear it, and wear it good,
ah-ah, ah-ah-yeah, ah-ah-hah

Talkin' 'bout them times when I was by myse-e-elf, I
would always be lookin' for somebody else
But as time went on I had a talk with my mi-i-ind,
friends like you and you I gotta leave behind

And so, you ca-all me your friend but you only want my
gifts
And I'll never see you if I had no loot, I'll never see
them
I'm just glad I know the truth and I'm payin' my own bills
and I'll never ever depe-end on you

Friends and enemies around me everyday, I can't
believe half the things they say
Takin' me for granted givin' no credit at all, I'll just
keep bouncin' like a bouncin' ball
Everybody seems to disappear on me-ee, can't trust no
one as far as I can see
If I could be that fly that's on the wa-a-all, listenin' to my
friends talk about it all

You ca-all me your friend but you only want my gifts
And I'll never see you if I had no loot, I'll never see
them
I'm just glad I know the truth and I'm payin' my own bills
And I'll never ever depend on you, some soul you are

I don't mean to step on nobody's foot, but ah -

When I need somebody there's nobody to ca-a-all
When they need me, my phone rings off the wall
But these are my friends and that so what they say-ay-
ay
Constantly takin' from me everyday, you say

You ca-all me your friend but you only want my gifts
And I'll never see you if I had no loot, I'll never see
them
I'm just glad I know the truth and I'm payin' my own bills
And I'll never ever depe-end on you, some soul you are

Da-da-dah-da-da-dee, da-da-dah-da-da-dee, da-da-
dah-da-da-dee-ee-ee-ee
I don't want to step on nobody's foot, but ah -
Da-da-da-day, da-da-da-da-day-ay, Da-da-da-day, da-
da-da-da-day-ay
Da-da-da-day, da-da-da-da-day-ay

You ca-all me your friend but you only want my gifts
And I'll never see you if I had no loot, I'll never see
them
I'm just glad I know the truth and I'm payin' my own bills
And I'll never ever depe-end on you

You ca-all me your friend but you only want my gifts
and I'll never see you if I had no loot
I'm just glad I know the truth and I'm payin' my own bills
and I'll never ever depe-end on you
I'm startin to believe what it feels like

You ca-all me your friend but you only want my gifts nd
I'll never see you if I had no loot
I'm just glad I know the truth and I'm payin' my own bills
nd I'll never ever depe-end on you
