Don't cry, dry your eyes, don't cry  
Don't cry, dry your eyes, don't cry

If one day I was to wake up dead  
And not a single tear, you better not shed  
I'm pushing on and on

I'm living up 365  
Show you how you're supposed to live your life  
That's how it's got to be, 'coz I know

Everybody wants to live, nobody wants to die  
When I pass away, party, don't cry  
Don't cry, dry your eyes

How are you supposed to live if you're afraid to die?  
When I pass away, party, don't cry  
Don't cry, dry your eyes

Now go and break it down real cool, all night long  
Don't cry, dry your eyes, don't cry

The first day that I opened my eyes  
Now that's when you probably should've cried  
You see, you got it all wrong

Take it not too fast, not too slow  
You got to realize one day we'll go  
And if there's one thing for sure, I know

Everybody wants to live, nobody wants to die  
When I pass away, party, don't cry  
Don't cry, dry your eyes

How are you supposed to live if you're afraid to die?  
When I pass away, party, don't cry  
Don't cry, dry your eyes

Everybody wants to live, nobody wants to die  
When I pass away, party, don't cry  
Don't cry, dry your eyes

How are you supposed to live if you're afraid to die?  
When I pass away, party, don't cry

Don't cry, dry your eyes, don't cry  
Don't cry, dry your eyes, don't cry  
Don't cry, dry your eyes, don't cry  
Don't cry, dry your eyes, don't cry

Everybody wants to live  
When I pass away, party, don't cry  
Don't cry, dry your eyes

How are you supposed to live?  
When I pass away, party, don't cry  
Don't cry, dry your eyes

Everybody wants to live, nobody wants to die  
When I pass away, party, don't cry  
How are you supposed to live if you're afraid to die?  
When I pass away, party, don't cry

Everybody wants to live, nobody wants to die  
When I pass away, party, don't cry  
How are you supposed to live if you're afraid to die?  
When I pass away, party, don't cry

Party, don't cry, party, don't cry for me  
How are you supposed to live if you're afraid to die?  
When I pass away, party, don't cry
