[Intro: Dwayne Wiggins]

I remember when we first started this song

All the fellas: Tim, Raphaelâ Who me? I'm Dwayne.

[Course starts & repeats in background]

And I'm an Aquarius

See we were over in Trinidad Tabaga for a while

We met a few friends, had a good time, ya know.

But while we were there, we experienced something calledâ Slow Wine.

Naw it's not a drink. Pay attention, let me explain...

[Verse 1]

Say lady, you know the one thing that we're missin'

Please girl pay attention, you see I'd rather show than tell

How you, you've got to lift up my emotions.

But slow plus a four letter word is the one thing on my mind.

(Slow wine, so fine) If I can wine you in my arms

(From left to right) Slow wine

(Slow wine, so fine) Yeah, just let your body flow.

(From left to right) So nice if we couldâ

[Course]

(Slow Wine) gotta keep it nice and slow

(Slow wine) gotta use your body and soul

(Slow Wine) gotta keep it nice and slow

(Slow wine) gotta use your body and soul

[Verse 2]

Well I, I got the notion that you want toâ

Oh what a beautiful thought, slow wine by candle light.

It would be nice, try to imagine the fun that we'd have.

Girl you'd be the roller coaster and I'd like to take a ride.

It would be so nice

(Slow wine, so fine) If I can wine you in my arms

(From left to right) Slow wine

(Slow wine, so fine) Hey Girl! All my body's yours.

(From left to right) Now it would be, now it would be so

nice.
If we couldâ€¦

[Course][X2]

[Bridge]
Slow and the four letter word, is the one thing on my
mind.
And if all should come so natural that a child could
learn to flow.
No, I'm not talking sex, maybe later but for now just
flex.
'Cause I've finally built up the nerve to just slow wine
with you would beâ€¦

[Course in background]
It would be so nice if you could use your body
Wont you keep it close to me
Nothin' more! You and I slow, slow, slow, slow wine.
Ya baby!

[Bridge fade out]...
