Rub against me softly, baby come and taste my soul
Show me all the places you want me to touch and my
lips to go
I dig the clothes you have on but you know that less is
more
Come and let it all go, let's make out on the floor

Tossin' and turnin', burnin' and yearnin'
Tossin' and turnin', burnin' and yearnin'

Incense, wine and candles, fireplaces in the room
Chances are we'll have some romance tonight
Feel the thunder roaring like the winds are blowing
If my heart could only sing, it would sound something
like

Baby, let's just toss and turn
Hey, tossin' and turn, you and I

Tossin' and turnin', burnin' and yearnin'
Tossin' and turnin', burnin' and yearnin'

(Tossin' and turnin')
If love could talk, I think it would sound like this
(Tossin' and turnin')
Now back me up, girl, let me hear you say

(Tossin' and turnin')
I ain't backed up for too much, baby
But your love, it tastes so real
(Tossin' and turnin')
Make a blind man see, make a rich man steal

You see, you're my flower, baby, blowing 'round
And I like to share this moment with you
Take some time, get my head together
But it's alright if me and you, come on, toss and turn

Tossin' and turnin', burnin' and yearnin'
Tossin' and turnin', burnin' and yearnin'
Tossin' and turnin', burnin' and yearnin'
Tossin' and turnin', burnin' and yearnin'

Tossin' and turnin', burnin' and yearnin'
