Sukie-

Sukie sitting int he corner and wel...just..you know.  
Sukie tries to talk a little and well..just..you know.  
Sukie rises up to speak and she almost...oh pooh.  
Sukie sits back down politely and...here's hoping  
that...you know,  
cause I don't have a clue.  
Oh word, words, words, I can never find the words,  
words, words...  
I can never find the words.  
All these words inside me now, but not much inner  
peace.  
All these words inside me now, just aching for release.

Darryl-

And if I said that I would listen, might that ease the  
doubt? yes,  
if I said "I'm here to listen", what would you like to talk  
about?  
What would you like to talk about?

Sukie-

I'd like to talk about the night, I'd like to talk about the  
day,  
I'd like to talk about the weather- but I guess thats just  
cliche.  
I'd like to talk a little Latin, maybe talk a little Greek.  
I'd like to talk about the arts- I rented "Hamlet" just last  
week.  
I'd like to talk about my poems, why I shy away from  
rhymes.  
I'd like to talk about that letter I had published in the  
Times.  
I'd like to talk about Euripides, and Schopenhauer and  
Bach-  
and if there's any doubt remaining, I'd be happy just to  
talk.  
But words, words, words, I can never find the words,

words, words-  
words, words, words, words.  
I'd like to talk about the deepest sort of secrets that I  
hold,  
I'd like to talk about the underlying truth if truth be told.  
Talk about the touching that can bring the tension out...  
I'd like to talk about the things I guess I shouldn't talk  
about.  
I'd like to talk about my feelings when the lights are  
turned down low.  
I'd like to talk about my needs, above the covers and  
below. -ac
