I don't know how to love him, what to do, how to move him . I've been changed, yes really changed. In these past few days when I've seen myself. I seem like someone else.ref.:

I don't know how to take this, I don't see why he moves me.He's a man, he's just a man. and I've had so many, men before, in very many ways,he's just one more

Should I bring him down, should I scream and should I speak of love, let my feelings out?
I never thought I'd come to this, what's it all about ?

Don't you think it's rather funny, I should be in this position? I'm the one, who's always been, so calm, so cool, no lovers fool, running every show.He scares me so.

2x ref.
I don't know how to love.....

Yet if he said he loved me, I'd be lost, I'd be frightened. I couldn't cope, just couldn't cope.
I'd turn my head, I'd back away, wouldn't want to know.
He scares me so,
I want him so,
I LOVE HIM SO!
