[Spice 1]

Blowe! Jah man, Spice 1 with the biggity biggity
Banksta in
The house, jah man we making it funky enough man
And me come like this!
Me busting a cap cause me the one
The 187 spot busting a cap cause me the one
Jah man! Come again now
Me busting a cap cause me the one
The 187 Posse busting a cap cause me the one, blowe
blowe!
Jah man, pick up this gat and make you spray yourself,
AK yourself
And that's for any motherfucker that wants to play
yourself
187 up on that ass with the murder shit
I shank this pistol up your ass and hollar ""Dookie
stick""
You ain't ??? the clip into that ass, G
Split personality so I mask me
And turn into the murderer
Me say me kicking the rasta shit, nigga I'm serving ya
Blowe blowe! And if you ever disrespect me I'm a bank
ya
Slip this clip up in this glock and watch is stang ya
Cause niggas try to blast that ass
And with a big AK I can't run too fast, yeah
You see a nigga like a maniac, bitch with a gat
And comes crack, hey G hand me that
The murder felon with the big black trigger
And I still make change out of five dollar ass, nigga
You can try but it ain't that easy
To kill a motherfucking G
Me busting a cap cause me the one
The 187 spot busting a cap cause me the one
Jah man! Come again now
Me busting a cap cause me the one
The 187 Posse busting a cap cause me the one, blowe
blowe!
[Too \$hort]
Now bitches love an old school nigga like me
Cause I got the pimp G-A-M-E

Some niggas get jealous but they way too soft
I had the whole house rock like the Haywood fall
You know you gotta come real, you gotta come with it
Get caught slipping and your ass gonna get it
Life ain't nothing but a stage show bitch
