We havin big thangs  
Ice Cube, the only nigga that can bring Too \$hort out of  
retirement  
Representin money  
Hmm, beeitch  
Verse One: Ice Cube, Too \$hort  
Wise crackin felines, unh  
Can a nigga make a bee-line?  
To that nappy area, don't wanna marry ya  
Just wanna bury ya head in a pillow  
Sorry but I got a kilo pussy-willow  
Janked ass penicillin, ain't got ta ask how ya feelin  
I'm tha nigga that got ya squealin  
Ya wanna know how we keep these hoes in check?  
Keep them broke and keep their panties soakin wet  
I like to smoke big, ride fat, and always stack cash  
Believe me, keep her breezy with her fat ass (fat ass)  
Big thangs on my mind ain't trippin at all  
They call me \$hort, but I got a big dick in my drawers  
I feel like a giant sometimes, bitch don't stare  
You'll go blind from my diamonds  
Tryin ta size me up, but basketball I ain't playin  
Call a tech, blow the whistle, throw the bitch out the  
game  
Chorus:  
We havin big thangs (like it's the thang to do)  
Big thangs baby (\$hort Dawg and Cube)  
We havin big thangs (like it's the thang to do)  
Big thangs baby (you know it's true, really doe)  
Verse Two: Ice Cube, Too \$hort  
Now how can I let this bitch run it?  
When her ass ain't never felt the seats of a 600 (now)  
Tricks we take shits at the rents, we don't get excited  
Over long hair and big tits  
\$hort Dawg they get hella weak, when I tell the freak  
We the richest niggas that you gonna ever meet  
We got bosses in the back, countin the stack  
We got cunts in the front with Hennesey and blunts  
Now what you want?  
She wanna get fucked all night long, bitch what's up?  
You know I got a tigh
