For 94 shit, bitch...That Ant Banks shit...
No, you can't fade it doe...Let's do this shit, Banks!
Let these hoes know...

A nigga smooth hit a lick
And shit i came up quick
With some bumpin' ass beats
And a gang of dick for the hoes
Ant Banks just lay that shit
And for the way I hit it
You gotta pay me to quit, hoe
Cause I'm all about the cashflow
Sittin' back on somethin' phat
I know your ass know
Nigga comin' kinda tight for 94
Eyes on the prize, leavin' marks behind me, yo
I'm still kickin' it, rollin' in my Benzo
Fly day at mall and a boatload of endo
Just tossin' in the town with the Badass!
Hey, baby! What's up?
Not you, bitch, with your fat ass!"
Bumpin' bitches with my loxed out tactics
Straight pimpgame is all that I practice
You can find me on the strip
Just actin' a fool
I got love in the town cause I'm so damn cool
I make the hoes wanna kick it
And drop'em drawls
And throw'em jaws all on my balls
I run some drama on your mama
Make her think I'm a square
Knowin' goddamn well
hat i'm a mothafuckin' player
"bitch!"
You betta do your home work
Cause the nigga Ant Banks
Is known for doin' dirt
"So any hoes wanna swing that ass:
you can bring that ass
and get nuts by the..."

The big badass, I'm from the Dangerous Crew...'

I'm havin' so many hoes, I don't know what to do...
The big badass, I'm from the Dangerous Crew...
So just fire up the dank and pass the brew...
The big dick gangsta's in the house!
The big dick gangsta's in the house!
The big dick gangsta's in the house!
Bitch! You can get a fat dick in your mouth...

Makin' funky beats is my thang you know
And my lane to fame is just a gang of dough
And to kick it in the hood and hang with the hustlers

Spit game to the hoes and bust after busters
Bring a gat to your lap, do it just like that
With the strap I pack, I lay you flat on your back
So don't front on a nigga, just because I'm rappin'
I put a crome to your dome
You never knew what happen, nigga
"Uuuuh! You can't fade the Big Badass nigga
cause you might get sprayed!"
See cause everybody knows the banksta
The big dick gangsta who's fuckin' wit dank
And clockin' the bank
But wait I had to let the dank go
Shit so damn poky
I couldn't keep up with my bankroll
So now I drink drank till I'm drunk
Drip drag on these bitches till my dick gets suckin'
With the game I spit I'm rulin', my brotha
Game so damn tight, I have'em doin' each other, yo
Just ask any bitch who's the badass
And she'll tell you ass, nigga...

The big badass, I'm from the Dangerous Crew...
I'm havin' so many hoes, I don't know what to do...
The big badass, I'm from the Dangerous Crew...
So just fire up the dank and pass the brew...
The big dick gangsta's in the house!
The big dick gangsta's in the house!
The big dick gangsta's in the house!
Bitch! You can get a fat dick in your mouth...

All I got is nuts for sluts who think they all that
Hit me on a beep, bitch, I bet I won't call back
"Cause my mack is too strong and my dick is too long
for your ass to shit on so little bitch get on!"
And don't trip, I do you like my nigga Blink
Fuck you in a cog
And won't stop till your shit don't stink
And you'd think I'm a mothafucka, bitch?
That's right, fuckin' mama's so tight

And do the shit all night
The Big Badass, I'ma foolin' this
Nigga so damn cold, shit
I think I'm the coolest, yo
You know what i'm sayin'?
