Highly intensive tounge talents makin all nervous  
Y'all fakin,a full nine wit my rhymes on purpose  
Y'all hatin,puffin wit Dre y'all nervous  
Y'all waitin,anticipatin  
My arrival California survialist  
Smash on any man rival dis  
Blast on anyone who dont ride wit Hitt  
Y'all betta buy my shit  
I said buy,not bite my shit  
Rappin since '85 think I dont write my shit?  
Bitch!,get off my dick!

When H-I double T spit,so time fo Marters  
New colbres and 4 fibres -  
You want gun of tha unknown author

Dressed like a Se-al,sent to hit Charles Mansion  
Manscun hand cov'rage,straight villin  
Make killins,but when Im chillin

Hoes say Hittman's a handsome muthafucka  
Granitest tha grants to make em fam brothers  
Fuck romance,Im a ransom lover  
I bag rich bitches,gag em,n tie em up to one-another  
(Hittman aight) Im tight enuff to be discovered  
By tha WestCoast's,tops,nigga  
Tha same guy who found Eminem,Snoop & Doc  
In 2000,H marks tha spot  
See Im tha first Hittman,y'all niggaz tryna be tha next

That's were ya lost  
Fuck around n get your ass nailed to a cross  
If rap was football I would be Randy Moss  
Tha hottest nigga favorite cocktail's Molatov  
Niggaz callin Aftermath like Dre call em of
