Soft Whispers in the dark  
You want it? Well I need it  
The breathing of an empty heart  
It's not easy  
Motionless on the floor  
Foreshadowed, rejected  
We can't escape this anymore

And you - you're so cliché  
So what will you say?  
When there is no defense?  
We're so past-tense  
It's sick  
As the daylight fades  
Our twilight waits  
To take it all away

Don't take this as a threat  
It's a promise and I mean it  
I'll be your last regret  
Can't you see it?  
Eclipsed by something more  
Aesthetic  
Less Haunting a warning  
That you can't ignore

Romance is dead and gone  
Leave it buried

And you're
