So....i love him....
Call me a fool.....
But i still love him...
And yet he wants her.....
Call me a fool.....

I'll admit it.
Yes I'm a fool
Yes I'm a tool
For him
But I love him
How do I say
Oh how do I say
I shouldn't love him.

****Chorus****
Break my heart
By saying hello
Tare it in two
By saying you love me
Do you even stop to ask me
Never. Not once.
If I'm fine with you
Telling me you love me
The way I love you.

You make me smile
But baby
You make it hurt when I smile
And when a tear rolls down
A kiss cant even make the hurt
Go down into the ground.

Suffering still remains
My heart still put in pain
How do you tell the one that you love
That you're not allowed
Although you fit like a glove
How do you tell him
The suffering he's putting you in
How do you tell him

How do you begin.

****Chorus****

Break my heart
By saying hello
Tare it in two
By saying you love me
Do you even stop to ask me
Never. Not once.
If I'm fine with you
Telling me you love me
The way I love you.

So..i love himâ€¦
Call me a foolâ€¦
But I love himâ€¦.
It's been more than a year..
That first day I newâ€¦
Call me a foolâ€¦
But I love himâ€¦
