Today...
it just hit me today...
you're gone...
and i cant reach you...
and bring you back...
you've fallen too far away...

I pray..
For your family I prayâ€¦
They're heartbrokenâ€¦
But that's not what they sayâ€¦
They brake moreâ€¦
A little more each dayâ€¦

And I've fallenâ€¦
But never like this beforeâ€¦
Will I get back upâ€¦
Or each step I try to takeâ€¦
Will I fall a little moreâ€¦

Hearts brokenâ€¦
Tears being shedâ€¦
It's messing with my headâ€¦
Calling me to a standâ€¦
To reach for your handâ€¦
Don't want to realize you're goneâ€¦
Just want to stay strongâ€¦
Pretend that you're still hearâ€¦
But againâ€¦rolls a tearâ€¦

Grudges brokenâ€¦
But I would rather have them stayâ€¦
Keep a grudgeâ€¦
Save a lifeâ€¦
What's left to say?
At least you wouldn't be goneâ€¦

Tears turn to glassâ€¦
Brake on the floorâ€¦
We all bleed a little moreâ€¦
Liquid turned to iceâ€¦

Do you let it freezeâ€¦
Or melt itâ€¦
And freeze it twiceâ€¦

Why'd you have to goâ€¦
Why couldn't God make a different showâ€¦
The rapist or theif gunned downâ€¦
Just please not youâ€¦
There's too many frownsâ€¦

Hearts brokenâ€¦
Tears being shedâ€¦
It's messing with my headâ€¦
Calling me to a standâ€¦
To reach for your handâ€¦
Don't want to realize you're goneâ€¦
Just want to stay strongâ€¦
Pretend that you're still hearâ€¦
But againâ€¦rolls a tearâ€¦

Today...
it just hit me today...
you're gone...
and i cant reach you...
and bring you back...
you've fallen too far away...
