Woo woo...

1-Come on, ride the train, hey, ride it, woo woo

Come on, ride the train, hey, ride it, woo woo

Come on, ride the train, woo woo, hey

Ride it, woo woo

Come on, ride the train

Woo woo, hey, ride it, woo woo

Come on, ride the train

It's the choo choo, ride it, woo woo

Come on, ride the train, it's the choo choo train

Come on, ride the train, it's the choo choo

Ride it, woo woo

Come on, ride the train, it's the choo choo train

2-Ah, ah, ah, ah, ah

I think I can, I think I can

I think I can, I think I can

Way deep down south, well we play this game

It's them Quad City D.J.'s and you,

We call it "the train"

So if you wanna ride your thing

Just come on down the train

We gonna rock, ooh, Lord, just jump aboard, baby

So get your next of kin, your sister and your friend

Pack it up now, choo choo, ride on this, choo choo

And, boo, you need to stop faking, and come on with me

I wanna take you home with me, to be alone with me

And I can see you wanna hide it, come on, just divide it

And please don't knock it, until you ride it

So to all of you girls, you know, I'm calling your name

Michelle, Tamika and Tanya

Wanna ride this train, ride out now

(repeat 1)

3-If you feel like dancing, well come on, it's up to you

We got the sound to keep you getting down, down

The train is coming through

(repeat 2, 2)

I can smell them tranquil breezes from a mile away

Graduated from Boone up to Alize

Baby, you looking tough to death

Got your weave done right, it's on so tight

Now it's on tonight, yeah, yeah  
Right about now it's about that time for me to holler  
Girl, I wanna waller in the back of my impala  
Woo, don't need no tickets for this thing  
Just jump on in, let me hit them switches on the train  
And it ain't no thing, it's all the same  
Get on the train tracks  
Here we go, so get on the floor  
And put a hump in your back  
So pack your bags, come on, get ready, say what?  
We're coming through your town  
Move your arm up and down  
And make that choo choo sound, like this  
Ride that choo choo, woo woo...  
Come on it's the choo choo, woo woo  
Come on it's the choo choo train  
(rpt 3, 2, 2)
