Yeah

Yeah (Oh)

Candy sitting in a tree

K-I-S-S-I-N-G

(Ah) Uh huh uh huh baby

(Ah) Uh huh uh huh baby

(Ah) Uh huh uh huh baby

(Whoooooooooooooooooooo)

I wanna

I wanna

I wanna

I wanna

I need a

I need a

I need a

I need a

A lover

A lover

A lover

A lover

A lover

A lover

A lover

A loverboy for me

Ludacris:

Is it the glitter on her breast

Or the gloss on her lips

Hickeys on the chest

Or the toss of the hips

I'm lost in the mix

So I floss in the sea

Turning out the hits

That only exist in your dreams

Shawna:

It's the mo' maker

Dough chaser

Now get it right

Would ya
Heartbreaker
I keep it tight
But I'm no faker
Can laugh now
But you'll cry later

Ludacris:
I think I like you in ya freak clothes
Freak those
In my specialized peep shows
And then I'll make ya
Touch ya knees to ya elbows
Toes
Girl from the street of Melrose

Shawna:
It's clear to see I like it when we smoke that
Choke that
I'll freak that (No doubt)
You kind of got me like
In a freeze when you roll out
You got itchy balls from where I blow that

Mariah:
I got myself a lover
Who loves what I like
When he invites me over
I come every time
Oh my sugar daddy
Takes me for a ride
Whatever way we're going
I expect to leave on time

He's all mine
And his loving makes me high
Like a taste of ecstasy
All I need is him to be my loverboy

Loverboy
Come on and love me
Give me more
Touch me and touch me
I enjoy the way you rock me all night long
(Baby all night long)
Loverboy come on and take me
Only you know how to make me
Shudder with anticipation
All night long
(All night long)

I got myself a lover
And he's so sublime
He's quite a bit of heaven
When he comes inside
So come on sugar daddy
Take me for a ride
Whatever way we're going next
I expect to leave on time

I get weak
And his candy's just so sweet
When he caressed my whole body
All I need is him to be my loverboy

Loverboy
Come on and love me
Give me more
Touch me and touch me
I enjoy the way you rock me all night long
(I enjoy the way you rock me)
Loverboy come on and take me
Only you know how to make me
Shudder with anticipation
All night long

22:
Come on, yeah
Well I'm kind of innocent
A vision of love
You adore me
Even though my image is thug

Da Brat:
What I see in you
Is for my eyes only to see
I bring out the freak in you
Up and down on me
I'm your lovergirl

22:
Me your loverboy
But when we roam alone
We come touch toys
Making noise
We can't avoid

Da Brat:
The way I throw that
Can't pop
Backdrop
Stopwatch

Brat-tat
Get ya more rock
Hard up
All of the things that you wanna do to me
If you wanna
We can get obscene
My cream and you're ding-a-ling mingle
Bother me not
When the sensation come out

22:
I'll make you scream
Uh huh uh huh baby
Feel me
When I pump the pump lady
Behind me we can be close like family
You're so sweet you taste like all types of candy
Starburst to jellybeans

Da Brat:
Banana split my dairy queen
Butterfinger my tangerines
Chickens only taste my
Loverboy in they dreams
All my ladies
Let me hear you scream
Hate on me
As much as you want to
You can't do
What the fuck I do
Bitches be emulating me daily (daily)
Hate on me
As much as you want to
You can't be
Who the fuck I be
Bitches be imitating me lately

Mariah:
Loverboy
Loverboy
Come on and love me
Give me more (Give it to me)
Touch me and touch me
I enjoy the way you rock me all night long (Strawberry)
Loverboy come on and take me (Raspberry)
Only you know how to make me (All those good things)
Shudder with anticipation (Diamonds and gumdrops)
All night long (That's what you seem to me)
Oh loverboy

Loverboy

Come on and love me (Oh)
Give me more
Touch me and touch me
I enjoy the way you rock me all night long (Let's get this started now)
Loverboy come on and take me (Let's get this started now)
Only you know how to make me
Shudder with anticipation (Strawberry)
All night long (Raspberry)
