cant make it girl (but first)
move that body like a jamaican girl (and then)
take your clothes off slowly so.....(girl)
then take off those diamonds and those pearls (yeah)

[Ohh Girl Lyrics On]

so baby tell me whatcha gonna do (yeah)
cause i love it when we kiss each other
it feels soo good (ohh)
rubbing up against each other
it feels the mood (ohh)
i love it when we get together just us two (ohh)
and i cant help but say
ohh girl , ohh girl , (baby girl) ohh girl , ohh girl...
