[Young Money:]

I get the drop 1 shot 1 kill

I get to slippin and ya cap get peeled

Blaaat, blaaat I get to slippin I ain't playin with em

Baat, batt I get to slippin I ain't playin with em

Blaaat, blaaat I get to slippin I ain't playin with em

[Gun shots]

[Tony Yayo:]

Thou shall not steal, thou shall repent

So it's kill or be killed in my enviornment

I'm in a bent, pushed up

1 hand is on the wheel the other hand is on your bitch  
butt

What, 1 shot, 1 kill, 1 nina

A sheel case dropped a young boy died a dreamer

He had hoop dreams till he seen that hoop ride

That ak went blaaat and his ass died

His momma cried, it just don't make sense

Homocide like we have no evidence

Another hood nigga died at a hood event

No suspects the case is irrelavent

Nowadays all the little niggas make movies

Jackie chan shit little homie waved the uzi

Another black nigga dead a statistic

The mack 10 split em reachin for his biscuit

A tisk it a task it, now he in a casket

Caught him at the rec centre broad day that's it

[Young Money:]

I get the drop 1 shot 1 kill
