[Intro:]

Ladies and gentleman! [ovation] [applause]

I know you were very surprised when you heard me the first time 50Cent is

Run it for President!

I like to thank you for all in to tuning in this DEBATES!

[applause]

Some really important issues to adress...

And I lover to answer your questions to here y'all suggestions! (Listen to

This, yeah!)

I got propose... [beat starts]

I'm not another politician politicer, it's ya boy!

Haha!

50!

Here we go!

[Verse:]

Yeah, I done smoked a couple pounds but I ain't never in hell,

Been in Custody before - but never in jail!

Baby I love you like America, don't talk to me fly

But I'll promise you if you do bitch, I black ya eye!

See? The hood fucked up, I got a plan for the crisis

Bring the dope and them boys and lower cocaine prices.

That's stage one of my plans, I pass five by depression

When everybody how I gives a fuck by recession!

Imagine gas price is 20 dollars a gallon.

D's catch a nigga and have the walk to the alley

And - my aims are to take away pain

It's okay, get fucked up, mayne!

Got that purple? - Roll that shit!

Got the pillpops that take that trip:

Got the Hennessy? Man, take that sip!

The pain'll go away if you got higher than a motherfucka!

And I know you think you know my style

Surprise nigga, I didn't changed it now!

5 years, I'm the nigga you been hatin' on

December 9th, I'm a give you what you waiting for!

[Outro:]
"Before I Self Destruct", motherfucka!
It's 50!
I'm in Detroit right now!
I got EMINEM on the room, Dre in here!
We puttin' it together...
I'm in a... I'm finna hit the restart button!
It's gon' feel like I just started it all over again!
Like this is '03 and this is "Get Rich"!
My album come in a full long movie!
A feature film, I'm like the Prince right now, man!
It's like "Purple Rain", baby!
Hahahahahhaa!
STUPID!
Re-produced and directed by... 50Cent!
Starring... Curtis "50Cent" Jackson! [crowd ovation]
Clip the bye!
Tritch! [crowd ovation]
Give me your cashes! [crowd ovation]
Sounds like I'm better then... and lite your engines!
[crowd ovation]
Call of friend... ?. [crowd ovation]
Shout-out to all my niggas in Watt and New Jersey!
[crowd ovation]
Aight, I gotta go back to work on my album!
IT'S CLASSIC!
December 9th!
50!
That's right,
On demand Entertainmant!
PEACE!
OOh yeah!
Don't forget to vote for me! [echoes] [beat stops]
