[Chorus: Young Buck {DJ Whoo Kid}]
E'rybody seen me {DAMN! } - but ain't nobody talkin'
(YEAH!)
Your family couldn't open up your coffin,
When them shots pop up...
E'rybody screamin' - but ain't nobody crossin' (WHAT?)
To see how many niggas gon' be flossin'
When them shots pop up... {TONY YAYO! }

E'rybody seen me - but ain't nobody talkin'
Your family couldn't open up your coffin,
When them shots pop up... (YEAH!)
E'rybody screamin' - but ain't nobody crossin'
To see how many niggas gon' be flossin'
When them shots pop up... {LET'S GO! }

[Bridge: Young Buck]

[Tony Yayo:]
I'm in the bluest whip - my headlights on some
"Snoopy" shit
My topdown doors up with the looie kit
All my looies fit! - All my jewelery thick
I'm real nigga! ("DJ Whoo Kid! ") - Your life is a movie
script.
Black Mustang, got that thang on my jewish bitch
Pearl handle big barrel with the doofie clip.
You a duplicate! - No hoodstripes!
I'm in your hood you like "Them niggas don't look right!
" {COME ON! }
Chop up the china-white! Desey got the tiger-stripes
Candy paint got my whip like "Mikey Nice"!

[Young Buck:]
I'm in the party with the shotty 50 gave me [gunshot]
(yeah!)
Just in case the promoters don't wanna pay me.

{DAMN} (what?)
I'm project! - I still use stolen creditcards
I gotta pump the gas in my Chevy to get it to start!
{Whooo
Kiiid! }

Hood nigga gettin' Hollywood money
I would let y'all Manson out if I could homie. (yeah!)
Got a Timothy Mcway' swagger...
I drop bombs; see a rapper and I laugh at cha!
(hahaaa!) [shot] {DAMN! }
A young God, might well let a nigga be
A star seein' leafs fall off your family tree. (damn!)
I want it all like the big homie Ice-T (Ice-T!)
They won't say it, but my enemies like me (YEEEEAAH!
)
My New York niggas tell me that I'm nice be!
In LA niggas holla: "Keep it real G! " (WestSide!)
Dirty South {SHADYVILLE! } with a 12" Gauge in your
mouth. (boo!)
You didn't wanna die? - You should have stayed in the
house! - Now lay him
Out... [gunshot] {Whooo! }

[Chorus: Young Buck]
E'rybody seen me - but ain't nobody talkin' (YEAH!)
Your family couldn't open up your coffin, ("DJ Whoo
Kid... ")
When them shots pop up... ("on Hot97! ")
E'rybody screamin' - but ain't nobody crossin' (WHAT?)
To see how many niggas gon' be flossin'
When them shots pop up... (HEEEY)

E'rybody seen me - but ain't nobody talkin' {G-UNIT

Your family couldn't open up your coffin,
When them shots pop up... (YEAH!) {TONY YAYO! }

To see how many niggas gon' be flossin'
When them shots pop up... {ROGER! }
