Jump out the m6 looking like a (yayo)  
I look like money, I smell like money  
Nigga I taste like that black bag cocaine money  
I'm in the leer withcha boo haaa  
But you little rap niggas irritate me like fruit flies  
And you wonder how the coupe drive

In that bulletproof whip  
No homo I need a bulletproof dick  
My favorite color green just like brett far  
Bitch nigga for you blog, bitch nigga get a job  
I bit mikes and a bit bitches  
My charles bronson bulldog bit snitches  
I can't die, my lil girl growing up fast  
Groupie niggas not around pig I run past  
Jump out the truck blast my little niggas deading ya  
I'll have ya head looking like a cash register  
Swag hater my swag got me filthy  
No lawyer money oj guilty
