Yayo:

I saw her in the projects, going to the store
i never had a crush like this before
her baby daddy is a killa, he hold weight in adika
but everytime he home, he beaten her and smackin'
her
ma you don't need your face black and blue
you need diamonds from Jacob that's black and blue
water front property, you see the sun rising
back to the subject, let me stop fantasising
listen boo, nobody in the world is perfect
so when you around my team there's no need to be
nervous
i hit it from the back, pull out your tracks
it's curiosity girl, choose the cat

Joe:
