[Tony Yayo:]

My rusty choppers  
they close to my lucky boxers  
The shit look old fashioned but it peel so proper  
I got a tribe full of warriors like my name was Chaka  
Zulu I'll shoot you and you in ICU  
If I don't blow up  
Stocks in funeral homes'll go up  
I'm real in the field for real I'll leave you toe up  
One knee action from the ground I'll wet at you  
Shoot at ya dick turn you to a transsexual  
I'm lovin this shit, gun I be tuckin this shit  
For you funny ass cats like Chris Tucker and shit  
I've been waitin, debatin, to clap ya ass with the Gardu  
You'll be dead before god get the bad news

[Whoo Kid:]
