You are now rocking with the greatest
It's the biggest underdog

Homie I stay strapped
Homie I stay strapped
Homie I stay strapped
Cause it's summertime

[Verse:]
I feel like rocky verse apollo
Niggaz tried to kill me sho my bentley at the pollo
I still love uptown, still love southside

And lil tah struggled too he got 55
He killed a chinese man stuffed em in his own ride
Damn the hood so cold nigga
Damn my wrist so cold nigga
Damn my bitch so cold nigga
My chain heavy, refrigarator perry
I'm in the car pull lane, smoking solo dolo
Big fo fo middle finger fuck po po

[Chorus x2]

[Verse:]
It's hot outside the killing season begins
It's 80 outside niggaz is putting it in
They get it in with them 4 5's
They get it in with them mack 10's
They get it in with them 2 2 3's
Innocent people casualties
