i don't make everyone happy....but it's ok....it's  
ok  
i've been through this before  
it's nothing new...nothing new

i don't know why every time i wanna fly  
somebody always tries  
to hold me down....hold me down...  
i'm losing my faith every single time...i try  
no one is on my side  
don't let me drown...let me drown

don't worry about whatcha done now cause it's  
ok...it's ok...yeah, yeah  
it's a test to see how much you can take...it's  
nothin new...  
i don't know why every time i wanna fly  
somebody always tries  
to hold me down....hold me down...  
i'm losing my faith every single time...i try  
no one is on my side  
don't let me drown...let me drown

i am drowning...i am sinking...yeah  
i am drowning...i am sinking...yeah  
why won't someone help me  
why won't someone help me

*[chorus]*
