[Chorus:]

Street manuscript, cocaine analyst
King of the pyrex I whip it up and hit a lick
I whip the pyrex and I hit a lick

I whip the pyrex and I hit a lick
I ain't a chef I can show you how to split a brick
I whip it up then I hit a lick

[Verse 1:]

Facing me is like walking a bear trail
You gotta lotta fucking heart I make your heart fail
And when the narcs bail
All they gonna see is ashley ass elbows in the back of
my nike heels
Feds even given superstars that fed time
55 bricks they snatched bougie bantome
Money make the world turn
Jealous, envy and that hate make them shells burn
Euros make them urine

[Chorus 2:]

Street manuscript, cocaine analyst
King of the pyrex I whip it and hit a lick
I whip the pyrex and I hit a lick
I whip the pyrex and I hit a lick
I ain't a chef I can show you how to split a brick
I whip it up then I hit a lick
I whip it up then I hit a lick
I whip the pyrex and I hit a lick

[Verse 2:]

I never wanted to fill out an application
100 zanex pills will have a nigga caking
You know the state wanna end me
I already got 2 f's like fendi
The third 1 my stretc lengthy
I'm in the trenches in the rain where it's drenchy
Gettin that money countin lionel ritchie
Cold sweats, nightmares give me the creeps
I see myself gettin shot by hip hop police

[Chorus 2]
