[Chorus:]

Lights camera action  
We can make a movie  
Take 187 start shooting  
Lights camera action  
Even to our own...  
Break time nigger...  
Lights camera action  
Let's hear another shot  
In the plot niggers getting shot  
Lights camera action  
We are out here shooting  
So nigger don't get caught in the...

The 4 door... looking like a bottler...  
... bad... bitches like they're on parol  
On that bullshit like...  
... turn your head in the sloppy...  
When I pull... out  
We can rock and roll  
Keep it moving like...  
Stop wearing dress shoes we can't afford  
Got the... full of jewels bitches  
... bullet with a gun get rid of...  
Bullet proof doors got a nigger...  
Already rich? Nigger...

[Chorus]

Clips are death  
... another editor  
... take your frame out, put your...  
When I'll cut your...  
I won't need a coordinator  
Black diamonds like the...  
Sex scenes after doing make Â–up  
Wake up with a model bitch lying next to me  
I leave a movie every day  
I need a documentary  
On a set with a... shooter...  
But we ain't playing paintball

My chain is looking like the light..  
... ready to shoot the next scene, we're packing

[Chorus]
