[Mike Epps:]

Check this out man!

This yo' main man, partner man; Day-Day, Mike Epps!
Baby Powder, pimpin' got uh... pimpin' got in my blood.
And I just want let you know right now you listen to that
G-Unit Part 11!

[Echoes]

Yayo's home on home-detention, right now eatin'...
barbecue sandwiches

And... chipeses shit!

Havin' all Cadillac, different Puerto Rican bitches with
puppy pitbulls

Step into the crib!

So make sure you ride to Yayo's home and check him
out...

And give him a celebration to come home on home-
detention!

Welcome home Yayo!

Matter of fact...
