[50 cent speakin]

Yeah, sumptin special you know, sumptin epic
Cause a nigga thuggin don't mean he don't wanna see
you smile baby

[50 cent singin]

Woo, I wana be the reason you smile
I wanna be the reason you smileeeee
I wanna be the reason you smile
After you wipe away your tears an dry your eyes

[Verse One - Lloyd Banks]

I'm gettin the feelin you wana take revenge
From the conversations were havin an the way it ends
You wanna discuss me infront of your lady friends
That's why it's just me and my Mercedes Benz
It all depends maybe if we make amense
We can start from scratch, learn to control your temper
An remarks can back
We plan to be patonic with the hearts intact
So everytime we seperate somebodys marchin back
Your amazin in the sack
Eyes splatter like ya asian but ya black
God bless whoever gave you all of that
If you seen her from the back you'd understand why
they stare like that
It ain't a thought of what's holes the lords knows
Her pussy good enough to miss award shows
An I ain't gotta say nothin she just knows
By the way I'm lookin at her to take off all her clothes
Up an down...

[Chorus - Lloyd Banks (50 cent)]

Whenever I'm not around and you're feelin down
I wanna bring you joy and be
(Be the reason you smile)
I don't wana see you frown like them kids
Watch 'em clown, I wanna bring you joy and be
(Be the reason you smile)
Baby you know my style, you know how I get down
Provide by any means to be
(Be the reason you smile)

We done been through them ups an downs
Had drama for a while, I'm just happy I'm around to be
(Be the reason you smile)

[Verse Two - Lloyd Banks]

The main reason I been lookin at you pityful
Kinda hard to have for this shit that I done did to you
Violated and took you into a crib or two
I've come clean to be a bigger individual
Even though ya visable the eve when I visit you
Kinda makes me feel lucky cause I see niggaz when ya
teasin with ya physical
She wanna wreck up her womb but I ain't got no room
left
My section ain't princess
My foreign chick bad but she bitchless, plus it's hard to
commincate
Cause she don't speak in no english
I've been around the world state to state
But now I'm back bustin in ya bathroom
Got you laughin at ya shower cap, let's get it on
Cause I'm leavin in an hour infact it don't matter she's
mad
Even when I holla back
All I really need is your attention for a little while an
I betchu I can make you smile

[Chorus x2]
