This is, that swine flu
It's a epidemic

Sold 2000 that's 14 grand
Girls in the v.l.p say they all with it
750 bm marine blue kitted
Dancing on the highway get it like with it
Navy blue fitted, all white kiddicks
I smell like chicklins boy I'm the shitted
My chain swinging like pacquiao on hatton
Hurricane dubai, 19 thousand
Without no diamonds your girl still notice that

Camouflage louie belt hold up the loaded mack
Yea my swag off the meter man
Used to get money in p.a on the peter pan
8 chains like filt tips rings like jordan
Hater's is mad that I'm flossing

This that swine flu flow man
This that swine flu flow man
This that swine flu flow man
This that swine flu flowww
