Interscope paided on the T.O.S. Project  
I still got money Jimmy, cash ain't no object  
I'm drunk homie that's the patron talking  
And the fathom goes riding with the doors open  
My man a killa he's fresh from up north  
But switch the swag up tight clothes and Mohawks  
You know the streets talk  
And how the hood do  
Follow hood rules  
Or niggas might kill you  
Bloods and Crips cursing to their kids  
They're "blood stains" in the projects  
there's nothing but blood stains  
Pain, poverty, fear, hate  
I use to sale crack sitting on a milk cate  
It don't kill it make me stronger  
Stay hated, we can rolling the marijuana

They hate
