[feat. Mike Knox & Louie Castro]

[Mike Knox:]

Knox

Yayo

You ain't gotta do no more shooting now baby

[Chorus: Louie Castro]

I'm a top notch gangsta you know where to find me

Deep in the streets yay know I'm out grinding

H boy shit drive by with a 100 clips

Blast me a chest nothing left but a hollow tip

[Mike Knox:]

I'm in the city ridin round with the strap on my lap

2 vests on my back with a bulletproof hat

I'm for the day time action

Shooting at your captain

Glock full of gun smoke all you is wheel movin

In the jet cruising, this is how we do shit

Peek a boo your whole strip

Everybody gettin hit

Hoodies on till we switch

Never caught up in the mix

In the club with the blick, 4 pound hit a dick

Laughin at you fuck boys

We can do it inside if you want you better duck boy

Security be bitching cause I'm about my buisness

A bottle of zay over ya head he need stitches

They banned me from the club, but I don't give a fuck

I'd rathe hit the bar in the hood and buy the liquor up

They see trouble follow me so my guns on me

I'm like monster from brooklyn I'm in these streets

[Chorus:]

[Tony Yayo:]

4-10 nigga, I go gun ho

I make it hot like mama baptist gumbo

No hours immune to the violence

Wake up to the gun shot you never hear silence

In the ghetto everybody knock each other
I guess cause they live top each other
Got the llama for the drama
Pits might lock on your leg
Groupies on stage lil mama vma's
White mazi, police racist like them white nazi's
Shooters on your car like paparazzi
Flash bang hit, you don't bang bitch
Camaro, red bullet I come spray shit
Philly niggaz here they shoot at cops
I'm in the balance with beans and Knox
With a half a pound of sour, pockets full of knots
My louie jeans, is full of that guap

[Chorus]
