DJ Clue]

Yeah

[Jay-Z]

Alright let's go

1 - [Mariah]

Gimme your love

[Jay-Z]

Uh, uh, uh, jigga

Hey, you gotta bounce to this like this

You almost gotta watch to this

Escape

Repeat 1 during intro

[Mariah] (Clue)

Ooh your loves so good

I don't wanna let go

Even though I should

I can't leave you alone (ha ha)

Cause you're so disarming

I'm caught up in the mist

Of you and I, can not resist, (sing the song) oh

2 - [Mariah]

Boy if I do

The things you want me to

The way I used to do

Would you love me baby

Holding me, feeling me or would you go and break my heart

3 ã,- [Mariah]

Heartbreaker youã,'ve got the best of me

But I just keep coming back obsessively

Oh why did you have to run your game on me

I should of known right from the start

Youã,'d go and break my heart

Repeat 1 till second verse

[Mariah]

Itã,'s a shame to be

So devoted and weak

When you smile at me

And you tell me the things

That you know just maybe could relinquish my love to you

But I can not resist, oh no

Repeat 2

Repeat 3

[Jay-Z]

She wanna shop with Jay

She wanna box with Jay

She wanna pillow fight in the middle of the night  
She wanna drive my Benz with five of her friends  
She wanna creep past the block, spying again  
She wanna roll with Jay, chase skeeos away  
She wanna fight with lame chicks, blow my date  
She wanna inspect the rest, kick me to the crib  
If she find one strand of hair longer than hers  
She want love in the jacuzzi, rub up in the movies  
Actions to the old crib, keys to the new crib  
She wanna answer the phone, tattoo her arm  
That's when I gotta send her back to her moms  
She calls me heartbreaker when we apart it makes her  
Want a piece of paper, scribble down "I Hate Ya"  
But she knows she loves Jay because  
Cause she loves everything Jay says, Jay does and uh  
Repeat 3  
Repeat 1 & 3 till end
