Loverboy (remix)

Mariah Carey Featuring Da Brat, Ludacris, Twenty II,
And Shawna
(Glitter)

Yeah
Candy
Sitting in a tree
K-I-S-S-I-N-G
I need him
I love him

[Ludacris]
Is it the Glitter on the wrist
Or the gloss to the lips
Hickies on the chest
Or this toss to the hips
I'm lost in the mix
So I flossed in the C's
Honey'd up on this
So I'm exhausting to ease

[Shawna]
Mo digga
Dough chaser
Better get it right with your
Heartbreaker
I keep it tight but I
No faker
You can laugh now but you'll
Cry later

[Ludacris]
I think I like you in your freak clothes
Freaked those
And my specialized peep show
And then I make ya touch ya knees to your elbow
Toes curled
Let me see them ?
The whole world

[Shawna]

See I like it when we smoke that
Choked out
You kinda got me like a feen
When you hold out
Now get your boys ? for me
Roll that ?

WHOOOOO

[Mariah]

I got myself a lover
Who knows what I like
When he invites me over
I come everytime
Oh when my sugar daddy
Takes me for a ride
Whatever way we're going
Delivery on time

[Hook]

He's all mine
And his lovin' makes me high
Like a taste of ecstasy
All I need is him to be my loverboy

CHORUS:

Loverboy
Come on and love me
Give me more
Touch me and touch me
I enjoy
The way you rock me
All night
Baby all night long
Loverboy Come on and touch me
Only you
Know how to make me
Shutter with anticipation
All night
Baby all night

Got myself a lover
And he's so sublime
It's quite a bit of heaven
To feel him inside
Cause when my sugar daddy
Takes me for a ride
Whatever way we're going
Delivery on time

I get weak
When his candy kisses sweetly
Caress my whole body
All I need is him to be my loverboy

CHORUS

[22]
I'm kinda innocent
Vision of love
You adore me
Although my image is thug

[DaBrat]
What I see in you is
For my eyes only to see
I bring out the freak in you
Up and down on me
I'm your lovergirl

[22]
Me your loverboy
And when we home alone
Like sex toys
Making noise
Can't avoid

[DaBrat]
The way I throw that
Can't pop
Back drop
Stop watch
Brat-tat
Get ya mo' rock harder
All of the things you wanna do to me
If you wanna
We can get obscene
My purriner and your ding-a-ling mingle
When the sensation
Come out

[22]
But girl don't I make you scream
Uh-huh, uh-huh baby
Feel me
When I pump-pa-pump lady
Remind me we can be
Close like family
So sweet
You taste like
All types of candy

From Starburst to jelly beans

[DaBrat]

Banana split my

Dairy Queen

Butterfinger

My tangerines

Chickens only taste my loverboy

In their dreams

All my ladies

Let me hear ya scream

Hate on me

Much as you want to

You can't do

What the f*** I do

Bi***** be emulating me daily (daily) Hate on me Much

as you want to You can't be Who the f*** I be Bi*****

be imitating me baby CHORUS Submitted by
